

Accessibility Statement for participateart.org

This is an accessibility statement from Participate Contemporary Artspace.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. participateart.org is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Additional accessibility considerations

Some images are missing alt text or alt text is very long. There is low contrast on some text and links which are quite hard to see.
